Faith in the church today is both inward—trust in God’s promises—and outward—active participation in the body of Christ. It involves regular gathering, mutual encouragement, obedience to Christ’s commands, and service to others. These scriptures remind believers that faith is not just personal but is lived out in community, worship, and mission.

“Faith– We Are the Church ”

Faith in the church today is rooted in both personal trust in God and active participation in the body of Christ. Scripture calls believers to hold fast to faith, gather together, and live out their faith through love, service, and mission.

*PRAYER OF CONFESSION

Tom W.

Righteous God, we confess with sorrow that we often forget who has given us light, who has made our garden grow with waters of love. We forget your living word and move off your paths to serve our own worldly desires. We leave your cultivated field to venture out into the wilderness on our own. We quarrel with one another trying to decide "who is the greatest." We make our own faces the benchmark for all faces. Help us to remember Jesus, reconciling the whole multicolored world in himself.

WORDS OF ASSURANCE

Danny C.

Thank you for calling us back, for never giving up on us when we turn aside, for always loving us, even when we forget who we are and who you are. We know you, as the greatest Gardener of all, who has promised always to replant us in flourishing fields.
