Read: **Matthew 25:31-46**

Here in Florida from late fall to late spring we have month after month of sunny, generally warm, and tranquil weather. But on the first of June, hurricane season begins. Those of us who have lived here a while know that means stocking up on batteries and water and keeping our cars filled with gas. We do this not because we live in fear but because we know that preparedness is our best friend when a storm heads our way.

Just as we prepare for hurricane conditions, in the same way, God's peace does not spare us from storms, but rather it prepares us for them. In his letter to the Philippians, Paul tells us God's peace is a guard, keeping watch over our hearts and minds. It is not a fragile or delicate peace; it is powerful and fearless, protecting everyone who seeks God. Because of the cross of Jesus, this peace can be ours. It is God's gift for everyone who believes, receives Jesus as Lord and Savior, and seeks him with all their heart!

If Jesus came back today, he would separate the sheep from the goats.

Which side would you be on?

Never too late to find Jesus! In Christian love,

Pastor Danny

Prayer of Confession

Tom W.

God of grace, we confess we have done little to advance your kingdom in this world. We have become bogged down with trivialities and lost sight of your vision of unity. We have allowed ourselves to be sidetracked with dissention instead of fostering unity among your people. We have focused on past pains which have embittered us instead of moving forward in establishing love as the law of life. Free us, we pray, from that which binds us. Enable us to be a people renewed in faith and love. We know that with you all things are possible, and so we ask this in the name of your Son, Jesus the Christ, who came to show us how to make your kingdom come.

Assurance of Pardon

Danny C.

Take to heart the words of Jesus: Whatever is done for the least of these my children, is done also to me. Forgiven, let us forgive others and open our hearts to the joy of life anew. Amen.
